IS THERE A BETTER WAY?

Due to limited access and financial barriers, many either delay seeking medical care or resort to urgent care & emergency rooms for their basic healthcare needs.

What's the Cost?

The Average Cost of an Urgent Care visit is $125 per person

Are There Options?

Most Urgent Care Centers Close at 6 pm

Visit to the ER

Long Wait, but Open 24/7 & Flexible Billing

Did I Waste Time?

66% of ER Visits are NON-EMERGENCIES

Did I Waste Money?

ER Visits Typically Result in a $2,200 Medical Debt

KonnectMD

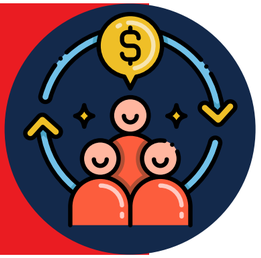
Your Employees Are Counting On You

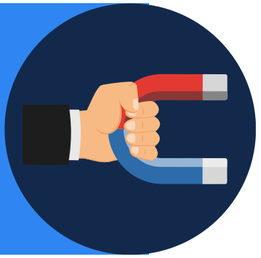
KonnectMD helps your business by addressing the most prevalent pain points your population faces regarding their healthcare: Cost, Access, and Overly Complicated Patient Experiences.

Providing KonnectMD benefits your business too!

Increase Retention- Businesses that offer effective benefits have higher employee satisfaction and retention rates.



Attract Talent- Businesses that offer exceptional benefits stand out, become the top choice for job seekers, and hire 60% faster.



Reduce Sick Days- Access to a "Virtual First" Approach allows employees to seek care on-demand, reducing the need for time off.

Lower Healthcare Costs- Lower claims and reduce premiums by minimizing visits to urgent care, doctor's offices, and the ER.
