Value Proposition

In the current business climate, it's vital to prioritize recruiting and retaining exceptional employees while cutting expenses and minimizing absenteeism. KonnectMD is an affordable stand-alone choice for small businesses with fewer than 50 employees. Our solutions lower health plan costs for large businesses by minimizing emergency room, primary care, and urgent care claims.

No Visit Fees, No Claims, No Deductibles & No Contracts!

For an average of \$1 per day, families can have 24/7 virtual access to a Provider with \$0 VISIT FEES & ZERO COST PRESCRIPTIONS without needing a traditional health plan.

KonnectMD Virtual Care

Over 80% of all doctor visits can be handled effectively over the phone or computer - at a fraction of the cost. In addition, our members have access to licensed providers who specialize in providing quality virtual care.
