

# REFERRAL PROGRAM

Introducing our exciting Referral Program - your opportunity to earn a FREE membership by sharing the love with friends and family!

## Here's how it works:

Share your custom referral link with friends and family

Each customer enrollment counts as 1 point

Waive your monthly fee with as little as 3 active points

**\*Each referral must equal your plan or higher to count as one referral.**

If your referral cancels or misses their membership payment, you may incur a monthly fee, unless you have more than three referrals at the target level or above.
