

Can I speak with the person who handles your employee benefits?

Hello, I'm _____, with KonnectMD Virtual Healthcare. How's it going?

(First Name) We work with businesses like yours to reduce employee turn-over, attract better talent and improve overall productivity.

***(First Name), Is that important to you?** Great!

(First Name), the reason for my call is that I'd like to schedule a quick 15 minutes with you to show you what we do and how we do it. **(First Name)** the meeting is through Zoom, so there's no need for me to even come to you.

I have an opening later today at _____**time**_____

Or Tomorrow at _____**time**_____, which works best for you?

*If they ask what this is about, or what we do...go to response below
If not, simply book the appointment and capture email address to send Zoom link*

With KonnectMD, your employees and their family can have 24/7 virtual access to our healthcare providers from anywhere, anytime for common illnesses like colds, flu, allergies, UTIs, rashes and more.

Now companies that have offered our Virtual Healthcare to their employees have found it much easier to keep and to hire better talent.

So, does today at _____**time**_____ or
Tomorrow at _____**time**_____ work better?
