

KonnectMD[®]

Happy and Healthy

Create More Experiences by Saving Time and Money!

KonnectMD's membership was created to disrupt healthcare. Today, we have reduced in-person visits by 60% and saved our members 45% in copays and claims costs.

HEALTHCARE: IS THERE A BETTER WAY?

High Costs and the lack of **Availability** cause MILLIONS of Americans to either delay seeking medical care or resort to the ER for their non-emergency healthcare needs.

Expensive!

The Average Cost of an Urgent Care visit is \$125 per person

Already Closed!

Most Urgent Care & Primary Care Clinics Close at 6 pm

Wasted Time!

THE NETFLIX OF HEALTHCARE

KonnectMD has been disrupting healthcare since 2019 by delivering high-quality virtual medical care that is **EASY, ACCESSIBLE, and AFFORDABLE.**

KonnectMD's member-only platform provides virtual medical services without the need for health insurance, in-person visits, copays, deductibles, claims, or prescription costs.

This is similar to how Netflix and Uber transformed their respective industries by creating a BETTER WAY!
